

## DECLARATION OF PERFORMANCE

No. 001/13-JAM

---

1. Unique identification code of the type of product:  
**15.01.01**
2. Type, serial or sequence number or any other element based on which it is possible to identify construction products in accordance with Article 11(4):  
**JUBIZOL GLASS REINFORCEMENT MESH**
3. Intended use or intended types of use of the construction product in accordance with the applicable harmonised technical specification as envisaged by the producer:  
**Alkaline resistant mesh made of glass fibres for reinforcement of render in external thermal insulation composite system (ETICS) with render**
4. Name, registered trade name or registered trade mark and producer's address in accordance with Article 11(5):  
**JSC „Valmieras Stikla Skiedra”  
Cempu iela 13  
LV-4201 Valmiera  
Latvia**
5. If necessary, name and address of the authorised representative whose authorisation covers tasks provided for in Article 12(2):  
**/**
6. System or systems of evaluating and verifying stability of characteristics of the construction product as provided for by Annex V:  
**System 2+**
7. For the declaration of characteristics concerning the construction product to which the harmonised standard applies:  
**/**
8. For the declaration of characteristics concerning the construction product for which the European technical evaluation was issued:  
**Evaluation body ZAG Ljubljana, 1404**

9. The product is a component of thermal insulation systems / characteristics:

**Jubizol EPS, ETA-09/0393 (28 June 2013), 1404-CPD-1606**  
**Jubizol MW, ETA-10/0334 (28 June 2013), 1404-CPD-1619**  
**Jubizol XPS, ETA-07/0028 (03 February 2012), 1404-CPD-1983**  
**Jubizol PB EPS, ETA-13/0633 (29 June 2013), 1404-CPD-1985**  
**Jubizol PB MW, ETA-13/0632 (29 June 2013), 1404-CPD-1984**  
**Jubizol S70, ETA-08/0236 (29 June 2013), 1404-CPD-1332**

Essential characteristics	Characteristic	Testing the characteristics in accordance with the standard	Harmonised technical specifications
Tensile strength after aging – medium value	longitudinal $\geq 21$ N/mm transversal $\geq 25$ N/mm		ETAG 004
Relative tensile strength after aging compared to strength of non-aged mesh	longitudinal $\geq 54$ % transversal $\geq 53$ %		ETAG 004

10. Characteristics of the product referred to in items 1 and 2 are in accordance with the characteristics referred to in item 9. The producer referred to in item 4 shall be exclusively responsible for issuing this declaration of characteristics:

Signed for and in the name of the producer:

Dol pri Ljubljani, 1 July 2013
